Subject: Reno Sparks Indian Colony Waterline Replacement

Dear Coordinator:

Pursuant to the Memorandum of Understanding (MOU) between our agencies, this is to notify you that the USDA - Rural Development has received a request for financial assistance from Reno-Sparks Indian Colony for replacement of waterline within the Colony. The applicant proposes to replace 240 lf of existing 6 inch AC pipe with 12 inch Drop Inlet (DI) from Master Meter on East 2nd Street to the Colony Road intersection, construct 710 lf of new 10 inch PVC along Colony Road to the west end of Colony Road, construct 1,050 lf of new 10 inch PVC along the northern section of Reservation Road, replace the existing main in the southern portion of Reservation Road and construct 1,625 lf of new 10 inch PVC, replace the main in the eastern portion of Colony Road with 450 lf of 8 inch PVC, replace the main in Colony Road from 2nd Street to the western end of Colony Road with 710 lf of 8 inch PVC. All construction will occur in Reno, Washoe County, Nevada within previously disturbed areas along Reservation Road at Mill Street, running north to 2nd Street and continuing north and west on Colony Road.

Attached is a map and photos showing the location of the proposed project.

Unless the Clearinghouse Coordinator advises us otherwise, within 30 days of this notice, we will assume that the final Clearinghouse comments will not be forthcoming and, therefore, the State Clearinghouse responsibilities of USDA - Rural Development will have been satisfied.

If you have questions or need additional information, please contact me at 775-887-1222, ext. 114 or by email at Lisa.Goodfellow@nv.usda.gov.

Sincerely,

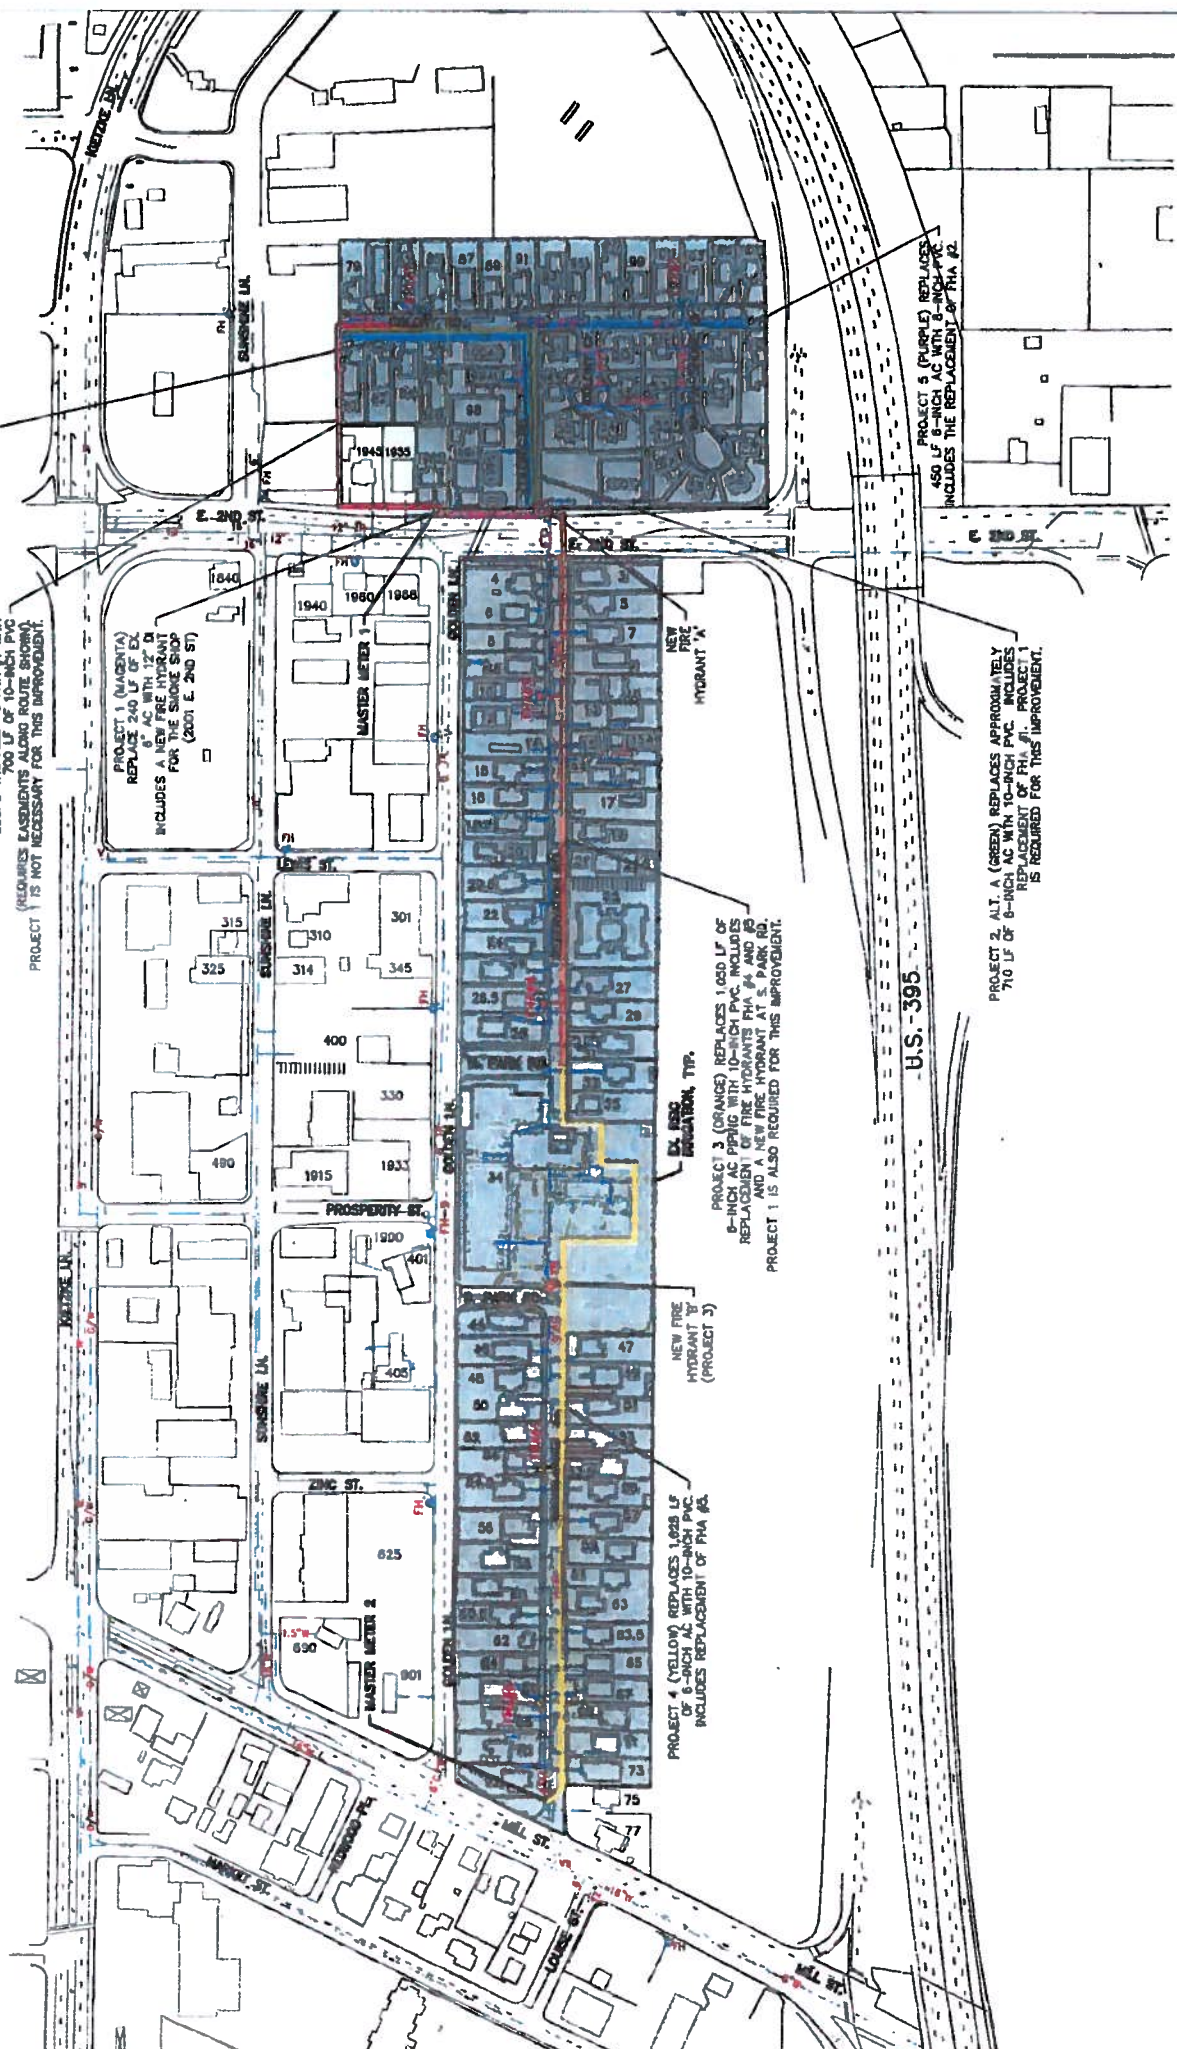

Lisa Goodfellow
Community Programs Specialist
